## Letter of Authorization

To whom it may concern,

The undersigned hereby provides authorization to PrimeLite Communications (Service Provider) to request Bell Nexxia and Bell Canada to perform the configuration of the subscriber line and network facilities and the installation of requisite network equipment arising from the subscriber's request to PrimeLite Communications for ADSL service associated with the following billing telephone number \_\_\_\_\_, as well as to coordinate with Bell Canada maintenance and repair activities with respect to the requested ADSL service.

If the phone line is not with Bell, please, indicate the name of the phone company and
