Business Telephone #: _____	

<u>Account Information</u>
Email Address / User Login (8 Characters Max) : _____ @primelite.net (**PLEASE NOTE**: This will be your email address. For instance if you choose the email address support, your email address would be support@primelite.net . Also, 4 additional email accounts are included with the service – you may contact sales@primelite.com to activate them)
Requested Password (Minimum 6 Characters) : _____ (**PLEASE NOTE**: Your password must be at least 6 characters in length, and a maximum of 8. Try to pick a password that has both numbers and letters as it would be harder to guess. For instance if you were going to pick a password of “primelite”, to make it harder to guess simply make the password “primelite#1”.)
High Speed users enter userlogin@thenet into routers or PC ADSL software
Dial-Up users enter just userlogin in dial-up connection settings
POP3 (Incoming) mail server name is mail.primelite.net - SMTP (Outgoing) mail server name is mail2.primelite.com

Security Information

Mother's Maiden Name: _____

(**PLEASE NOTE**: If you ever forget your password, we will not reinstate your account unless you give us your mother's maiden name. If you do not know your mother's maiden name simply put a name in that no one else would know, this is for verification purposes only.)
